

ALLIANCE WITH INDIANA

In January 1999 the **Hoosier Lottery** contracted with **Scientific Games** to provide on-line computer systems, retail terminals, telecommunications, operations, marketing and technical support. **Scientific Games** currently provides similar systems and services in a variety of jurisdictions in this country and internationally.

Scientific Games is proud to be a member of the Indiana community. Our company is committed to help strengthen the communities in which we do business. As part of that commitment, the **Alliance With Indiana** grant program was created. Together we make financial contributions available to not-for-profit community organizations throughout Indiana. **Alliance With Indiana** is committed to partnering with the Indiana community to support its diverse heritage and community needs.

Scientific Games understands and takes seriously our responsibility to the continued success of the Hoosier Lottery. **Alliance With Indiana** allows us to demonstrate our commitment to both Indiana and to the Hoosier Lottery as we provide active assistance to its mission to “Build Indiana.”

Funding Priorities

- **Alliance With Indiana** supports organizations that provide safe, caring and supportive learning environments for children and our senior citizens.
- **Alliance With Indiana** will assist those programs whose focus is to develop opportunities to enhance skills of youth and adults in preparation for technology fields associated with education and employment.
- **Alliance With Indiana** is aware of the vast needs in the community and wants to assist programs that work to address the health and well being of residents in the Indiana community.
